# CHRISTMAS MARKET BY THE LAKE

With the Christmas ship and its 360° panorama bar, a special Christmas tree inn, the breathtaking views over the lake and mountains and many other highlights, the Constance Christmas market is truly unique. About 170 traders and craftsmen give visitors every reason to linger. Some 10,000 twinkling lights are reflected in the lake, the Council soars majestically into the winter sky and the smells wafting through the air encourage visitors to taste the numerous delicacies. Stalls stretch from the historic old town to the harbour, offering a wide range of goodies. High-quality products made by craftsmen living and working around Lake Constance, atmospheric music and culinary delicacies from the entire region create a Christmas atmosphere over the city and the lake that simply oozes magic.
